## What is Retreat?

For the last 7 years FBC Waynesville has taken a group of 6th grade thru College students down to The Look Up Lodge for a weekend retreat. If you have been with us you know about some of the things that make the event extremely fun, stimulating, sometimes outrageous and quite simply the best weekend of our year.

Winter Retreat offers:

- An opportunity to meet and grow really close to a large group of youth from our area
- Creative teaching and Inspired Worship together
- Really Great Food
- An amazing and unique opportunity to Grow
- Adventurous Recreation and Competition in a Gorgeous Woodland setting, including a Giant swing, a thrilling obstacle course, a beautiful lake with a hiking trail around it, optional paintball, unforgettable (even when you really, really try) cabin skits, and much more than you could ever believe would fit into one weekend.

**We invite you to join us for this incredible weekend. It will be an unforgettable experience!**

## TRUST

Maybe the most important truths that any of us can ever grasp are that :

1.) God is God,

and just as important,

2.) You are not!

Because God is all— powerful and He is good we can live lives where fear and anxiety are extinguished by the trust and fear we have of Him— trust in times of uncertainty and confusion, fear as in respect and reverence. Because, we are deeply loved and pursued by the only eternal, gracious awesome God!

How's your **trust**? Are you plagued with doubts? Have you been putting your trust in friends, others and yourself? How's that working out for you?

Join us as we learn about and grow in our ability to TRUST the only one who is fully worthy of our TRUST.

*We know that in everything God works for the good of those who love him. They are the people he called, because that was his plan.*

Romans 8:28
